Where Talent Meets Impact

We want to hear from you!

The Impactpool Talent Survey is open for one more week. We would greatly appreciate your insights on the most sought-after impact employers and your perspective on what matters most to talent today. Your input helps organizations better understand the talent perspective and shape more attractive opportunities.

Take the survey

Upcoming Events

Many of you are already making the most of the opportunity to engage in Impactpool events, whether through webinars or virtual career fairs.

At Impactpool, our community truly reflects the global nature of the impact sector. Every event becomes a space where professionals from across continents connect, exchange ideas, and explore meaningful career opportunities together.

Browse the agenda and secure your spot at our upcoming events.

Careers in Multilateral Development Banks & International Financial Institutions | March 12

Take your step toward shaping sustainable development, poverty reduction, climate action, and inclusive economic growth worldwide by building a career in MDBs and IFIs, by joining this event on March 12.
